Right Front

Pre Trim	Post Trim
 A side view of a horse's right front hoof before trimming. The hoof is dark and shows some wear. A wooden block with an orange label is placed next to it for measurement.	 A side view of the same hoof after trimming. The hoof is noticeably shorter and the shape is more uniform. A wooden block with a blue label is used for measurement.
 A front view of the hoof before trimming. The hoof is dark and shows some wear. A wooden block with an orange label is placed next to it for measurement.	 A front view of the hoof after trimming. The hoof is noticeably shorter and the shape is more uniform. A wooden block with a blue label is used for measurement.
 A sole view of the hoof before trimming. The sole is dark and shows some wear. A wooden block with an orange label is placed next to it for measurement.	Photo missing
